No problem. He was ok without it. Brent should have the McCain item through his own OPA/congressional weekly. Next week will be strange with the holiday, not sure if there will be one then.

Hey Tom,

Sorry I didn't get to this. I wasn't able to get to working today until about 2:00. I saw that Scott wasn't about to get something into the Weekly for this. Think I should send him a sentence or two now for next week or..?
